

Attestation for Journalists /Media Personnel Traveling to Sri Lanka

I, of based..... am aware that I in the event of being issued a visa to Sri Lanka for purposes of journalism, I am required to call on the Public Communication Division of the Ministry of Foreign Affairs of Sri Lanka, as soon as I arrive in Colombo, to obtain the letter of recommendation for Temporary Press Accreditation. With this letter of recommendation, I then need to call on the Department of Information of Sri Lanka, to obtain the Temporary Press Accreditation, which would be valid for a period of 30 days from the date of issue.

Failure to follow the above steps would constitute non-compliance with the procedures instituted by the Government of Sri Lanka to facilitate the work of foreign journalists.
