WHAT IS INDUSTRY 2023?

The Ministry of Industries has the primary responsibility of promoting the industrial sector in Sri Lanka and the Industrial Development Board (IDB), is the premier government organization for the Industrial development and promotion in the country. Considering the importance of the industrial growth in Sri Lanka, the Ministry of Industries and Industrial Development Board have organized the “**Industry 2023**”, the National Industry Exhibition with the theme of “Towards export oriented manufacturing economy” which is the largest national industrial event. The exhibition is scheduled to be held from **22nd to 25th June 2023 at the BMICH**, and the Chief Guest will be the Hon. President Ranil Wickremesinghe and the event will be graced by Hon. (Dr.) Ramesh Pathirana, Minister of Plantation Industries and Minister of Industries.

The exhibition showcases innovations and local industry excellence in Machinery, Technology, Raw Materials and Business Development services to the potential local/International markets and the most importantly creates a platform to make relationships with right stakeholders including policy makers as well as other government support services.

The **Industry 2023** will be a convergence of domestic and international exhibitors. The event is designed to widen the capabilities and capacities of all Sri Lankan industries and therefore SMEs, large companies and multinational corporations are also warmly welcomed to display their raw materials, tools, equipment, machinery, components and accessories.

OUR GOAL

**TOWARDS EXPORT
ORIENTED
MANUFACTURING
ECONOMY**

OBJECTIVES

EXHIBITION OF PRODUCTS & SERVICES

to showcase the best capabilities and capacities of local industries in manufacturing products, services and technologies for both local and international markets.
