**Industry Expo 2025 – 19<sup>th</sup> to 22<sup>nd</sup> June 2025, BMICH, Colombo, Sri Lanka**

The Industrial Development Board (IDB) would like to express our sincere gratitude to the Ministry of Foreign Affairs for the invaluable support extended during the successful Industry Expo 2024.

We are pleased to inform you that the Industry Expo 2025 is scheduled to take place from 19th to 22nd June 2025 at the BMICH, Colombo, Sri Lanka. The event is being organized by the Ministry of Industry and Entrepreneurship Development, in collaboration with the IDB.

The primary objective of the Expo is to create a comprehensive platform that brings together stakeholders from diverse industry sectors. With over 400 exhibitors showcasing a wide range of products and services, the Expo promises to be a significant event. It is the only exhibition in Sri Lanka that integrates all industry sectors, and we expect it to play a pivotal role in driving Sri Lanka's industrial sector towards a more export-oriented and people-centric economy.

In this regard, we kindly request your assistance in circulating details of the Expo among foreign buyers / business communities through Sri Lanka's diplomatic missions. Attached herewith is the e-flyer for dissemination to the embassies, with the request that it be published on the websites and social media pages of Sri Lanka's overseas missions.

Your continued support in this regard is highly appreciated, and we look forward to working together to make the Industry Expo 2025 a resounding success for our country.

Thanking you

Yours sincerely
